Application

I hereby apply for the Postgraduate Program *European and International Business Law* (Master of Laws)

- 2 semesters full time regular
 4 semesters full time flexible
 3 semesters online part time

My application is binding. The tuition fee for this Postgraduate Program is € 12.600,- (incl. students' unions fee). For additional semesters (beyond the standard period of study) the regulation of the University of Vienna applies. In the Postgraduate Program *European and International Business Law* one semester of tolerance is granted with no additional fees. For each following semester an additional tuition fee (incl. students' union fee) is to be paid. The tuition fee is exempt from value-added tax. Travel, accommodation, living expenses, health insurance and expenses for teaching materials (books, lecture notes, etc.) are not covered by the tuition fee. All bank charges incurred for remitting the tuition fee must be covered by the applicant.

The number of spaces is limited. Admission to the Program is subject to the number of spaces available, time of application and the applicant's qualifications. The basis is the curriculum as published in the University Gazette in its respective valid edition. All postgraduate programs are extraordinary study programs pursuant to the Austrian University Act of 2002. Students of postgraduate programs are admitted as extraordinary students.

The tuition fee (€ 12.600,-) consists of three installments. Upon notification of admission by the Program Director, a down payment of 10% of the tuition fee (€ 1.260,-) is due within 14 days. The application process is completed with the payment of 10% of the tuition fee.

The second installment is 50% of the remaining amount (€ 5.670,-) and is

- for students who start in the winter semester due on 1st of September.
- for students who start in the spring semester due on 1st of February.

The third installment (€ 5.670,-) is

- for regular full time students who start in the winter semester due on 1st of February.
- for regular full time students who start in the spring semester due on 1st of September.
- for flexible full time and online part time students who start in the winter semester due on 1st of September of the following year.
- for flexible full time and online part time students who start in the spring semester due on 1st of February of the following year.

Cancellation of the application has to be submitted in writing. Within 14 days after the notification of admission the cancellation will be exempt of charges. After this period and no later than 6 weeks before the start of the Program, the cancellation fee will be 10% of the tuition fee (€ 1.260,-). If an application has not been cancelled by the due date of the second installment, the cancellation fee will be € 6.930,-. The cancellation fee will be 100% of the tuition fee after the beginning of the Program and outstanding installments are still to be paid. The tuition fee will not be refunded if the applicant drops out of the Program.

The Postgraduate Center reserves the right to cancel the Program for compelling reasons before it starts. In this case, all tuition fees paid will be refunded. The Postgraduate Center reserves the right to make necessary changes to the curriculum, to change the venues and to make any organizational changes needed upon short notice.
